

PRESS RELEASE

ASMPT Wins Exclusive Texas Instruments Supplier Excellence Award for Second Year Running

[Singapore, August 09, 2024] – ASMPT Limited (HKEX stock code: 0522), the world's leading maker of integrated solutions for the manufacture of semiconductors and electronics, was recently honoured with the 2023 Supplier Excellence Award from Texas Instruments (TI) for the second year running. This prestigious recognition underscores ASMPT's unmatched commitment to excellence in supplying products and services that consistently meet TI's high standards.

Texas Instruments' (TI) extensive global supplier network comprises over 10,000 companies, which ASMPT is among an elite group of suppliers selected for exemplary performance in the areas of cost, environmental and social responsibility, technology, responsiveness, assurance of supply, and quality.

"ASMPT is honoured to receive this prestigious award from Texas Instruments for the second year running," said Joseph Poh Tson Cheong, Senior Vice President, ASMPT. "The standards for this award are very high, and to achieve it for two years is a wonderful testament highlighting our commitment to sustained customer success and strong partnerships."

"As a key supplier to TI, we are committed to actively engage in offering continuous comprehensive support for assembly equipment across all types of supply chain conditions, thereby helping them to drive progress with their roadmap and achieve their goals."

About ASMPT Limited

ASMPT is a leading global supplier of hardware and software solutions for the manufacture of semiconductors and electronics. Headquartered in Singapore, ASMPT's offerings encompass the semiconductor assembly & packaging, and SMT (surface mount technology) industries, ranging from wafer deposition to the various solutions that organise, assemble and package delicate electronic components into a vast range of end-user devices, which include electronics, mobile communications, computing, automotive, industrial and LED (displays). ASMPT partners with customers very closely, with continuous investment in R&D helping to provide cost-effective, industry-shaping solutions that achieve higher productivity, greater reliability and enhanced quality.

ASMPT is listed on the Stock Exchange of Hong Kong (HKEX stock code:0522) and is one of the constituent stocks of the Hang Seng Composite MidCap Index under the Hang Seng Composite Size Indexes, the Hang Seng Composite Information Technology Industry Index under Hang Seng Composite Industry Indexes, the Hang Seng Corporate Sustainability Benchmark Index, and the Hang Seng HK 35 Index.
